

I. What does God look like?

- The devil always tempts people to look to their own ideas instead of what God Himself plainly says.

- The devil tempts us to listen to our own created mind's thoughts and body's feelings more than what our Creator tells us.

(4 But the serpent said to the woman, “You will not surely die. 5 For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil.” 6 So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate. Genesis 3)
